

O&M Touch Pads/Recording Workshop

O&M will be running a workshop for Recorders on how to operate Meet Manager when running the Touch Pads.

Date Saturday 10/2/18

Venue WAVES

Time 5:30pm – 6:30pm

Please bring paper and pen to take notes.

We will be covering the following:

- Restoring Swim Meet file in Meet Manager
- Configuring the Lap Top with the Timing Console
- Uploading the Swim Meet to the Timing Console
- Testing both 50M & 100M events

Note: All of the above needs to be done during the warm up.

The following is performed as the Swim Meet is running:

- Downloading times from the console
- Checking for “Soft Touch” and going to back up time
- Checking for “Late Touch” beyond the tolerance and going to backup time

Please email the O&M Competitions Officer to register for the workshop:
