I would like to thank Megan Dowling and Michelle Smits Team Managers, all the dedicated parents that went and supported the team. To Tap who made the trip due to unforeseen circumstances to Jenny Weldon Coach and to Elayne Heiner for the organisation of the food that came to less than \$150.

If next year we can fill a team with no holes i.e. one 9 year old and one 14 year old in each category we will do much better.

A great weekend for all involved.
