

The All Juniors psych sheet and athlete roster have been released by Swimming Victoria.

Psych Sheet:

Athlete Roster:

Swimming Victoria has confirmed that the venue will be the outdoor pool due to the numbers expected at the event. The program, Session Report and Time keeper roster has been released. There will be no programs for sale on the day so please print your program before you leave.

Program– The program is now available on the Swimming Victoria website to download and print from the Country All Junior event page. Please also note that Events 15, 30, 45 and 60 have been cancelled due to insufficient entry numbers.

Session Report– Available from the Swimming Victoria website. Please note this is a guide only.

Timekeeper Roster– The timekeeper roster is also now available and requires O&M to provide 3 timekeepers for all sessions.

We can only plan timekeepers for the Saturday as we do not know who will get through to the finals on Sunday. For Saturday Morning session the Major Clubs present by numbers are: Albury, ANL, and Wodonga so I would ask for you to Manage 1 timekeeper each for the Session. For the Saturday afternoon session the Major clubs present by numbers are: ANL, Myrtleford and Yarrawonga/Mulwala so I would also ask you to Manage 1 timekeeper each for the session. If this arrangement causes any issues please feel free to discuss with the smaller clubs to see if they have anyone available.

The breakdown by club is included as follows:

Swimmer numbers by Club

Information on the Country All Juniors Finals in Melbourne is available on the Swimming Victoria Website: [Here](#)

For those who are members of Swimming Victoria please remember that there is a free entry coupon in your Member Benefits Program Booklet that can be used at this meet.
